8 BOSTON SALONS SHOW US THEIR TAKES ON THIS SPRING'S MOST COVETED BEAUTY LOOK

photos by michael diskin

From whimsical, ladylike looks from Michael Kors and girlish bows from Marc Jacobs to Lady Gaga-inspired style and over-the-top embellishments, this season is all about being a lady while letting your wild side loose. We came up with a look we thought represented this current state of affairs in the fashion world and asked eight of the area's leading salons to show us their interpretation of "Lady Grunge." Flip through the following pages and get inspired by their creativity and vision.
